

Because I Love You

The Parent Support Group

For 43 years, “BECAUSE I LOVE YOU” The Parent Support Group (B.I.L.Y.) has been helping families in crisis. For the last four years during these challenging times, we have continued to help through our free weekly meetings on Zoom. B.I.L.Y. group meetings are held five times a week and provide families with peer support and tools to cope with children, including “adult” children. Issues include lack of respect, truancy, verbal and physical abuse, alcohol abuse, and, increasingly, drug use and addiction.

Through our program, we have helped thousands of families to work through unavoidable crises, promote structure and cooperation in the home, find the strength to develop new, cooperative family relationships and achieve the goal of family preservation. We have seen many, many success stories! And many of the families helped are now volunteering to help others.

Sunday, November 10, 2024, “BECAUSE I LOVE YOU” presents the second annual Benergy Texas Hold’em Poker Tournament in honor of Ben Juceam. We are asking for your support with a tax-deductible donation.

- ♥ Services or Merchandise Donation for Raffle
